

# CALIFORNIA'S WATER PROBLEM

SATURDAY, AUGUST 21 • 1 - 3 PM

Temecula Public Library, 30600 Pauba Rd

Tap into our dynamic discussion on the growing California water problem.

## OUR PANEL OF SPEAKERS

### Water at the California Delta

Keith Coolidge – Acting Chief Deputy Executive Officer for the Delta Stewardship Council will talk about what's being done to resolve the debate over the proper allocation and management of water resources in the Sacramento-San Joaquin Delta.

### Water in Temecula

John Hoagland – A Vice President on the Board of Directors for the Rancho California Water District will talk about the where, how and why of Temecula water supply issues and challenges in our mixed sub-urban and agricultural water district.

### Water Around the World

David Poole - Leading manufacturer of waterstop and President of JP Specialties, Inc. will talk about global issues regarding the resource of water.

Followed by a watermelon social!
